It is our expectation that all students will attend weekly Mass as part of their Faith Formation. Sending them to class is a very small part of their journey of faith. *Unless they are regularly practicing their faith through Mass attendance, prayer and Catholic teaching at home, then class means very little. You are the primary educator of your children in the Catholic faith – as you promised at their baptism.* We are happy and blessed to partner with you in that important job, but we cannot do it alone. May our good Lord bless you for your efforts!
